

BROOMS

Skid Steer Attachment

NORM ENGINEERING ENCLOSED BROOM

Norm Engineering's Enclosed Broom has a one piece poly brush which is used to sweep the debris into the bucket section. By lifting the bucket/broom the hinge automatically opens allowing the debris to be easily dumped.

KEY FEATURES:

- One Piece Poly Brush (Segments Available)
- 3 X Replaceable Rubber Skirts
- 1 X Bolt On Reversible Cutting Edge
- Optional Gutter Brush
- Includes Hoses & Couplings - No Extra Plumbing Required
