

NORM ENGINEERING GRASS SLASHER

Skid Steer Attachment

The Norm Engineering Grass Slasher transforms the skid steer into a large scale slasher/lawnmower, negating the need for a commercial stand-alone slasher.

Model	Weight (kg)	W x D x H (mm)	
Grass Slasher C/W Universal Hitch (45-60 LPM)	490	1650 x 2000 x 560
