

RIPPERS AND FORKS

Skid Steer Attachment

HIMAC FORK TYNES

Himac's skid steer pallet fork attachment provides all of the advantages of a forklift whilst avoiding the poor visibility issues forklift drivers are plagued by.

KEY FEATURES

- Tested and Certified to Comply with Australian Standard AS2359
- Easy Hook Up with no Hinging Tynes
- Most Popular Style of Forks in the Industry
- Universal Skid Steer Mount as Standard

NORM ENGINEERING FRONT RIPPERS

The Norm Engineering Front Rippers are perfect for landscaping jobs and preparation of new turf. Tow options are available; a front mounted version and a heavy duty option for those tougher jobs.

KEY FEATURES

- Ideal for that Stubborn Material
- Easy to Fit and Remove
