

Kobelco SK200-10

This 20 tonne machine is more durable than ever, able to withstand the rigors of the toughest job sites. The new arm interflow system efficiently controls the hydraulic fluid flow, and a significant reduction of in-line resistance and pressure loss boosts fuel efficiency.

KEY FEATURES

- Arm interflow system
- Hydraulic circuit reduces energy loss
- ERG cooler
- Superior digging volume
- Piping for quick hitch
- Expanded field of view for greater safety

Low Loader

x - Approximate fuel consumption
