**RELY ON RAM**

**WHEN IT MATTERS**

## ABOUT RAM EQUIPMENT

**We are a leading South Australian equipment hire company and attachments provider, partnering with civil, earthmoving, mining, railway and pipe laying contractors locally and across Australia.**

### OUR PURPOSE

At RAM, our purpose is simple: **to make things easier for our customers.**

We deliver the right equipment, when and where it's needed - backed by practical advice, deep industry knowledge, and a commitment to genuine service. By understanding your goals, challenges, and deadlines, we help keep your projects moving forward - on time, on budget, and with confidence.

### OUR FLEET

Our hire fleet includes the latest technology from the world's most trusted brands, including Hitachi, John Deere, Kobelco, Kubota, Wacker Neuson, Attach2, and our very own RAMRADE Attachments. From nimble 2 tonne tippers to powerful 50 tonne excavators, every piece of equipment is low-hour, carefully maintained to near-new condition, and fitted for safety, comfort, and performance.

When you hire from RAM, you get more than machinery, you get a team committed to minimising downtime, and delivering results that matter.

## ATTACHMENTS

### DRIVING BREAKTHROUGH

**RAMRADE attachments are our own innovation - designed, tested, and backed by RAM Equipment. Built for performance and reliability, they're not only available to purchase, but also to hire through the RAM Equipment fleet. We're *driving breakthrough* in attachment solutions across Australia.**

Driven by a simple philosophy, to help our customers work smarter, RAMRADE attachments are engineered to enhance efficiency, maximise performance, and deliver uncompromising power on site. From hydraulic breakers, buckets, and grapples to pulverisers and demolition tools, our range is built to perform. Each attachment is crafted using innovative design, advanced technology, and Hardox steel for exceptional strength and durability in Australia's toughest conditions. Every product is built to meet strict safety standards and industry demands.

Introduced by RAM Equipment over a decade ago, RAMRADE has earned a strong reputation among civil and construction contractors, hire companies, and waste, demolition, and recycling businesses. We offer one of the largest specialised attachment ranges in Australia, purpose-built to integrate seamlessly with premium equipment brands such as John Deere, Hitachi, CAT, JCB, Komatsu, Kobelco, and Kubota.

## OUR TEAM

We're a team of experienced, energetic professionals who thrive on making things easier for our customers. With a confident "yes we can" attitude and a genuine commitment to service, we take pride in being dependable, responsive, and easy to work with. Whether it's tight deadlines, complex site conditions, or last-minute changes, our team is here to support our customers every step of the way, helping them deliver projects on time, on budget, and with complete peace of mind.

## ISO CERTIFIED

We have received compliance certifications for Quality, Safety and Environment from the Global Compliance Certification (GCC) who are accredited by JAS-ANZ (Joint Accreditation System of Australia and New Zealand).

### Certifications include:

ISO 9001:2015 – Quality Management Systems (QMS)  
 ISO 14001:2015 – Environmental Management System (EMS)  
 ISO 45001 – OH&S Management Systems (OMS)
