

Hitachi ZX135US-7

A newer-generation medium excavator with a Stage V Isuzu engine and Hitachi's HIOS V hydraulics, delivering up to 9% better fuel efficiency. Compact tail swing and a refined cab make it ideal for tight sites and long shifts.

KEY FEATURES

- 270° camera view
- Dozer blade
- Low reflective 8" LCD monitor
- HIOS V hydraulic system
- Stage V-compliant engine
- 9% better fuel economy than the dash-5
